Code No. 407.2

Policy Title: **LICENSED EMPLOYEE CONTRACT RELEASE**

Licensed employees who wish to be released from an executed contract must give at least twenty-one days notice to the superintendent. Licensed employees may be released at the discretion of the board. Only in unusual and extreme circumstances will the board release a licensed employee from a contract. The board shall have sole discretion to determine what constitutes unusual and extreme circumstances.

Release from a contract shall be contingent upon finding a suitable replacement. Licensed employees requesting release from a contract after it has been signed and before it expires may be required to pay the board for actual expenses incurred to locate and hire a suitable replacement. Upon written mutual agreement between the employee and the superintendent, the costs may be deducted from the employee's salary. Payment of these costs shall be a condition for release from the contract at the discretion of the board. Failure of the licensed employee to pay these expenses may result in a cause of action being filed in small claims court.

The superintendent is authorized to file a complaint with the Board of Educational Examiners against a licensed employee who leaves without proper release from the board.
