Code No. 501.10

Policy Title: TRUANCY - UNEXCUSED ABSENCES

Regular attendance by the students at school is essential for students to obtain the maximum opportunities from the education program. Parents and students alike are encouraged to ensure an absence from school is a necessary absence. Students shall attend school unless excused by the principal of their attendance center.

Truancy is the failure to attend school for the minimum number of days established in the school calendar by the board. Truancy is the act of being absent without a reasonable excuse. These absences shall include, but not be limited to, tardiness, shopping, hunting, concerts, preparation or participation in parties and other celebrations, and employment which is unapproved by the building administrator. Truancy will not be tolerated by the board.

Students are subject to disciplinary action for truancy including suspension and expulsion. It shall be within the discretion of the principal to determine, in light of the circumstances, whether a student may make up work missed because of truancy. Students receiving special education services will not be assigned to supervised study hall, in-school suspension unless the goals and objectives of the student's Individualized Education Program are capable of being met.

It shall be the responsibility of the superintendent, in conjunction with the principal, to develop administrative regulations regarding this policy. The administrative regulations shall indicate the disciplinary action to be taken for truancy.
