SECTION 1

INTRODUCTION

The Northeast Community School District (“District”) states that it desires to employ quality staff who are able to provide a quality education for the students of the District. To this end, the District has in place this Employee Handbook that provides information to employees relating to their employment with the District.

1.1 This Employee Handbook shall apply to all teachers, librarians, counselors, and nurses, and does not apply to the superintendent, principals, assistant principals, the business manager, any administrative directors or coordinators, non-professional employees, or any substitute employees.

1.2 This Employee Handbook is not intended to imply any contract of employment or any contractual rights. This Employee Handbook manual does not represent a contractual obligation on the part of the Northeast Community School District or its duly authorized representatives. It is each employee’s responsibility to become familiar with the policies and procedures of the District.

This Employee Handbook shall be maintained solely by the District. The Board of Directors of the Northeast Community School District and/or the District’s administration has the ability to interpret and imply provisions of the Employee Handbook.

1.3 This Employee Handbook shall be effective upon being approved or accepted by the Board of Directors of the Northeast Community School District or its duly authorized representatives. It shall be in effect for the duration of the school year in which it was approved, unless it is modified using appropriate procedures, including providing notice to all employees covered by this Employee Handbook.

1.4 Should any section or language of this Employee Handbook be declared illegal by a court of competent jurisdiction, then that section or language shall be deleted from this Employee Handbook to the extent that it violates the law. The remaining sections and language shall remain in full force and effect.

1.5 The following definitions shall apply to this Employee Handbook:

A. The term “Board” as used in this Employee Handbook, shall mean the Board of Education of the Northeast Community School District or its duly authorized representatives.

B. The term “employee” as used in this Employee Handbook, shall mean all teachers, instructional coaches, guidance counselors, librarians, home school liaisons, school nurses, and all others employed in a professional capacity. The term does not mean the superintendent, principals, assistant principals, the business manager, any administrative directors or coordinators, non-professional employees, or any substitute employees.

SECTION 2

GRIEVANCE PROCEDURE

- 2.1 An employee may grieve any complaint as hereafter provided. Such a complaint is styled a “grievance.” The one grieving is styled the “grievant.”
- A. If a grievance involves employees from all buildings, then a group of affected employees may commence processing the grievance at Step 3. The parties will endeavor to consolidate for processing multiple grievances arising out of the same misunderstanding.
- 2.2 (Step 1) A grievant may grieve in accordance with the following procedure:
- A. The grievant shall attempt to resolve any grievance by an informal discussion between the grievant and the Building Principal or his/her designee for such purpose. If the grievant so requests, an employee representative may participate in the informal discussion. If the Principal so desires, others may participate in the informal discussion. All grievances must be so presented within twenty (20) working days (twenty [20] week days if the period described by work days would include summer vacation) of the date on which the employee first knew or could reasonably have known of the occurrence of the event giving rise to the grievance.
- 2.3 (Step 2) If the grievance is not resolved informally, then:
- A. The grievant shall reduce his/her grievance to writing on the form in Appendix E. The grievance so reduced and written shall describe the grievance, cite the specific Section(s) allegedly misinterpreted or misapplied and specify the relief sought; thereafter, the grievance will be what is then so reduced and written and references thereafter to “the grievance” in the procedure refer to that written statement.
- B. The grievance then must be filed with the Building Principal or his/her designee within seven (7) calendar days after the informal discussion described in 1.2(A) has been concluded. Employees working in more than one (1) building may file “grievance” with either principal.
- C. The Building Principal or his/her designee shall within five (5) calendar days from the date on which the grievance was filed, arrange for a meeting at a mutually satisfactory time with the grievant and any representative. If the Principal may request, others may be present.
- D. The Building Principal or his/her designee shall formally, in writing, answer the grievance within seven (7) calendar days from the date the written grievance was filed.

- 2.4 (Step 3) If the grievant remains unsatisfied after receiving the principal's formal answer, then:
- A. The grievant may file a copy of his/her grievance with the Superintendent or his/her designee. Such grievance must be so filed within five (5) calendar days after receipt of the Principal's formal answer.
 - B. The Superintendent or his/her designee may meet with the grievant, and, if the grievant notifies the Superintendent in writing at least one (1) day prior to such meeting, an employee representative.
 - C. The Superintendent or his/her designee shall formally answer, in writing, the grievance within five (5) calendar days after the grievance was filed with the Superintendent or his/her designee.
 - D. The grievant may not appeal an answer provided by the Superintendent or his/her designee (Step III) beyond the Superintendent's answer. The Superintendent's decision is final and binding.
- 2.5 The District shall give, upon written request by a grievant, any information necessary for the processing of the grievant's grievance, except for documents deemed confidential under this Employee Handbook or otherwise confidential under law.
- 2.6 Records dealing with the procession of a grievance shall be filed in the personnel file of any of the participants.

SECTION 3

PROFESSIONAL STAFF EVALUATION PROCEDURES

- 3.1 The evaluation system shall consist of formal observations, artifact collection, and review of additional data gathered by the administrator.
- A. During the first two years of employment with the Northeast Community School District, all beginning teachers will participate in Tier I of the Professional Staff Evaluation System. Staff new to Northeast, but not new to the profession, will spend one year in Tier I. Tier I staff members may be assigned to Tier I for an additional year by their evaluator. Written notification of this decision will be provided to the employee. Upon successful completion of Tier I, teachers will be placed on Tier II of this system.
 - B. If an evaluator determines, at any time, as a result of a teachers' performance, that the teacher is not meeting district expectations under the Iowa Teaching Standards and Criteria, and any other standards and criteria established by the District and/or the Board, the evaluator shall recommend to the district that the teacher participate in Tier III, an intensive assistance program. The intensive assistance

program's processes is outlined in the Northeast Professional Staff Evaluation Handbook.

- C. Either the staff member or the evaluator(s) may initiate informal discussions of progress at any time throughout the cycle. Disagreements occurring between the staff member and the evaluator(s) concerning any aspect of the professional staff evaluation process will be resolved through discussions with the Superintendent and the employee and/or an employee representative, if the employee chooses.
- 3.2 The evaluation process will begin with written notification to the staff member within four weeks of his/her first day of work. Each new staff member will participate in an individual or group orientation conference prior to the beginning of the observation process. During this orientation conference, the procedures, forms, criteria, and timelines for evaluation will be reviewed and discussed.
- 3.3 Formal observations shall include pre- and post-observation conferences that will be scheduled for dates and times mutually agreeable to the staff member and the evaluator(s). For staff members in Tier I, the evaluator(s) shall conduct a minimum of three formal observations in the first year and a minimum of one observation in the second year. For staff members in Tier II, the evaluator(s) shall conduct a minimum of one formal observation during a three-year cycle.
- A. A staff member's participation in any phase of the evaluation process does not mean that an administrator may not visit that staff member's classroom or observe sessions conducted by the staff member. Administrators will continue to monitor the performance of all staff and will address concerns with staff members as they arise.
- 3.4 On/before October 15 of each year, all staff members in Tier II will submit an Individual Career Development Plan based upon the Iowa Teaching Standards and Criteria, the District Career Development Plan, and the needs of the teacher.
- A. Should a staff member or group wish to amend the plan during the term of the Career Development Plan, the staff member or group will discuss proposed changes with the evaluator(s) and submit a revised plan.
 - B. Each staff member will complete a Summary Report on/before May 15 of Year One and Two and on/before March 30 of Year Three. The Summary Report will allow the staff member to reflect on the Individual Career Development Plan and will include the following:
 - 1) How the plan impacted student achievement
 - 2) How the plan impacted the teacher's professional growth
 - 3) How the plan addressed the Iowa Teaching Standards and Criteria
 - 4) Individual teacher reflection about the implementation and outcomes of the plan

- 3.5 All professional staff will be required to create and maintain artifacts as required by the employee's evaluator.
- 3.6 Informal or unannounced observations and other informal input may be used to provide additional data in the evaluation process. Other information may include (but is not limited to) observations of the staff member's interactions with students, parents, or other staff members, professional involvement, management of conferences, work on committees, interactions with community agencies, participation in staff meetings or work on teams with fellow staff members. All data and input that is gained from other sources will be made known to the staff member.
- 3.7 If a decision is made to place a complaint directed toward an employee in her/her personnel file, the placement in the personnel file shall be called to the employee's attention, in writing, within five (5) working days of that decision. A response from the employee, in regard to said notice, shall be written and presented to the supervisor within ten (10) days of the employee's notice. The employee's response shall become a part of said file.
- 3.8 Each employee may, upon request, have access to the employee's official evaluation file for purpose of inspection and review, and upon request, will within five (5) calendar days of such request, have available a copy of any material contained therein. The employee may respond in writing to material derived from the evaluation process contained in or hereafter placed in the file, and such response will become a part of the file.
- 3.9 Teachers who hold an initial license are required to have successfully completed the two-year mentor program. Teachers new to Northeast, but not new to the profession, are required to successfully complete a one-year mentoring program.
- 3.10 A comprehensive evaluation will occur at the end of year two for beginning teachers, at the end of year one for staff new to Northeast, but not new to the profession and at the end of year three for Tier II staff. Prior to the filing of the comprehensive evaluation, the evaluator(s) and staff member will have a final conference to review the evaluation. The staff member will sign and receive a copy. The staff member's signature indicates that the staff member and the evaluator(s) have discussed the evaluation together. It does not necessarily mean that the staff member agrees with all ratings or remarks contained in the evaluation. The evaluator will submit this review to the Superintendent's office by May 15.
- A. The staff member may, if he/she wishes, submit a "rebuttal" to the comprehensive evaluation document. This "rebuttal" must be in writing and must be submitted to the evaluator(s) within ten school days following the summative evaluation.
- 3.11 An employee may file a grievance concerning the Tier I, Tier II or Tier III process as permitted by the Grievance Procedure of this Employee Handbook.
- 3.12 The TQ Committee shall develop any necessary Peer Review and Collaboration Time processes.

SECTION 4

SENIORITY

4.1 Definitions applicable to this Section are:

- A. The term “seniority,” whenever used in this Employee Handbook, shall mean the relative ranking of employees in the bargaining unit in term of the employee’s continuous employment in the School District. Beginning July 1, 2014, seniority shall be pro-rated for employees less than full time. This pro-rating of employees shall not be retroactive.

When an employee voluntarily or involuntarily transfers from one (1) classification to another, he/she keeps all accumulated seniority in the previous classification and starts accumulating from zero in the new classification. If a layoff occurs in the new classification, the employee would retain displacement rights in the previous classification.

If, at the time of layoff in a classification, two (2) or more employees have the same seniority, the District shall use the date the employees signed their initial District contracts to determine the employee with more seniority. The employee with the earlier signing date shall be deemed to have the greater seniority.

If the two (2) employees signed their initial District contracts on the same day, a random drawing shall be conducted to determine the employee to be laid off.

- B. The term “classification” shall mean the classification in which the employee is employed, (employees who teach in more than one (1) classification will receive a full year in each classification) and in which he/she has established seniority rights, and for all purposes covered by this Section, shall be as already established by the existing employment record. The classifications involved are hereinafter set out.
- C. The term “layoff” shall mean laying an employee off from his/her regular duty within a classification outlined in this Employee Handbook.

4.2 When the Board determines that a layoff is necessary, it shall first determine the procedure in which the layoff is to occur.

- A. The school shall provide written notice to each affected employee in compliance with Chapter 279 of the Code of Iowa.
- B. The Board shall determine employees to be laid off based upon what is in the best interests of the District.

- C. The Board may also determine employees to be laid off within the classification based upon the relative skill, ability, competence, certification, qualifications, and/or experience of the employees.
- D. If all the factors outlined above are equal, employees with the least seniority within the classification shall be laid off next.

4.3 Employees shall be classified according to their assignments for purposes of seniority, into the following classifications:

- Alternative Education (High School)
- Art – (K-12)
- At-risk (Elementary)
- At-risk (Middle School & High School)
- Business Education (Middle School – High School)

- Title I – (including reading specialist)
- Vocal Music (Elementary)
- Vocal Music (Middle School – High School)
- Vocational Agriculture

- A. If an employee is employed in two (2) or more classifications, that employee will not be laid off through the application of seniority except when a more senior employee in one (1) or more of the classifications has certification in the work assignment. The employee will have recall rights to that named two (2) or more classifications as well as to any separate openings in the named two (2) or more classifications.

- 4.4 No employee shall be asked to resign for reasons of staff reduction; however, this does not preclude the administration from discussing the possibility of staff reductions with employees.
- 4.5 Seniority is lost or broken in the following circumstances:
- A. If he/she quits, either by (1) notifying the Superintendent or his/her designee, or (2) remaining away from his/her assignment three (3) working days or more while not on leave without a reason satisfactory to the Superintendent.
 - A. If, after a layoff out of the District, he/she fails to report to work within fifteen (15) working days (fifteen (15) week days if the period described by work days would include summer vacation) after being notified in writing at his/her last known address to do so, unless prevented by illness or other reason(s) satisfactory to the Superintendent. Employees laid off and desiring to retain their seniority rights must keep their address known to the Superintendent.
 - B. If he/she is unemployed by the School District for a period equal to his/her length of service prior to layoff or a period of two (2) years, whichever is the lesser.
 - C. Duly authorized leaves do not break seniority.
 - D. An employee selected for recall will be informed by the Board of her/her recall in writing. Such written notice shall specify the position to which the employee is being recalled and the date of the recall. The Notice shall be mailed by certified mail, return receipt requested, to the last known address of the employee as shown on school records. The notice shall be considered received by the employee five (5) calendar days after posting or on the date the return receipt is signed, whichever is sooner. It is the responsibility of each employee on recall to keep the district advised of his/her current address. Within ten (10) calendar days after an employee receives a notice of recall, the employee must advise the district in writing, either hand delivered to the Superintendent or Board Secretary, and recited for or sent by certified mail, return receipt requested and received within (10) calendar days, that the employee accepts the position offered in the recall notice and that the employee will be able to commence employment on the date specified in the recall notice. The commencement of employment requirement may be extended by the Superintendent. Any and all re-employment rights granted to an employee on staff reduction shall terminate upon the employee's failure to accept a recall within the above noted ten (10) calendar days.
- 4.6 A list showing the names of employees who have been laid off or who have been recalled will be made available in the Superintendent's office and shall be posted in all buildings on bulletin boards. If any deviation is made from seniority, an explanation will be made upon request. There shall be no redress to the grievance procedures by an employee in connection with layoff or recall unless a grievance is presented within twenty (20)

working days (twenty (20) week days if the period described by work days would include summer vacation) from actual date of layoff or recall.

- 4.7 A recall shall occur upon an opening occurring in a classification as to which there has been a previous layoff from which there are employees with recall rights.
- 4.8 Employees who are laid off shall have the following recall rights:
- A. Non-probationary teachers have recall rights for two (2) years from the last day of contracted service.
 - B. Recall shall be to the classification from which the employee was laid off and to such classifications to which the employee may have had displacement rights. Teachers who were teaching in two (2) or more classifications shall have recall rights to each classification.
 - C. Vacancies shall not be filled other than by recall unless there is no employee with recall rights to the vacant position. If two (2) or more teachers are on recall and could be recalled to a position, the teacher with the most District seniority will be recalled.
 - D. If two (2) or more teachers are on recall and could be recalled to the same position and have the same seniority, the teacher with the most seniority within the classification of the recall positions shall be recalled.
 - E. If a recalled employee is offered a position that is not equivalent in time (i.e., a full-time offered half-time) and refused the position, the employee does not forfeit his/her recall rights.
 - F. If two (2) or more part-time teachers are on recall and could be recalled to position and one (1) teacher was previously a full-time teacher with the District, the previously full-time teacher shall be recalled.
 - G. Should a layoff result in a situation where a part-time employee refuses to take a full-time position, the District has the right to fill the full-time position in whatever manner they deem to be in the best interest of education for the District in that a part-time more senior employee could be laid off and a less senior employee placed in the full-time position.

SECTION 5

TRANSFER PROCEDURES

- 5.1 The movement of an employee to a different classification/position shall be considered a transfer.
- A. “Classification” shall be as defined in Section 4.
