**Old Business:**

High School Gym Videoboard – The parts needed to repair the videoboard in the new gym will cost \$4,200. In order to get the parts ordered ASAP, a motion for the athletic boosters to pay for half of the repair (\$2,100) was made by BJ, second by Erin on 11/13/2020. The motion was put to an E-vote to all members. The motion passed with all aye votes.

Stadium Seats – Envision delivered the order of more regular and large size stadium seats. They are in the storage closet. Prices are \$55 for regular size, \$65 for large size.

Concession Stand Gift Certificates – Gift Certificates are ready for sale in the high school office. Erin said that as of late November there had not been any purchased. She is marketing them on Facebook and in the HS announcements. Jamie asked if the certificates would be able to be used next year being there are limited spectators allowed at events. Erin thought that would be a possibility with the only hurdle being the baseball and softball concession stands in which the boosters do not run.

**New Business:**

RAGBRAI – RAGBRAI is set to pass through Goose Lake on Saturday July 31, 2021. Troy shared that he was asked by Ken Schoon, Mayor of Goose Lake, if there would be any school groups that would be interested in doing something for the event. The boosters are interested, just unsure of what our role would be. Troy will follow up with Ken on the location of the stop (Goose Lake park or school grounds). Jamie will ask past RAGBRAI participants on what type of food stand or other needs bikers are looking for at their last stop.

Next meeting will be held MONDAY, JANUARY 4 at 6:00 via ZOOM.

Meeting adjourned at 6:19pm.

Respectfully submitted by Erin Meyermann
