Employees who operate school vehicles are subject to drug and alcohol testing if a commercial driver's license is required to operate the school vehicle and the school vehicle transports sixteen or more persons including the driver or the school vehicle weighs twenty-six thousand, one pounds or more. For purposes of the drug and alcohol testing program, "employees" also includes applicants who have been offered a position to operate a school vehicle. The employees operating a school vehicle are subject to the drug and alcohol testing program beginning the first day they operate or are offered a position to operate a school vehicle and continue to be subject to the drug and alcohol testing program. EEO/AA employer.
